### Warranty Terms

Hevi-Haul warrants its products to be free of defects in materials and workmanship. Hevi-Haul makes no other warranties, expressed or implied, including no warranties of fitness for particular purpose. Hevi-Haul's obligations under this warranty shall be limited to repair or replacement of the products in question or, at its sole option, refund of the purchase price; Hevi-Haul disclaims any liability for incidental or consequential damages, including liability for lost profits. This warranty shall be voided by any misuse or abuse of the product, or upon any modification of the products without Hevi-Haul's prior expressed written authorization. Any claims under this warranty must be made, in writing, within one year from date of delivery to the customer. Hevi-Haul's acceptance of this order is conditioned upon customer's agreement to these warranty terms. No modification of these terms shall be effective against Hevi-Haul unless in writing and signed by an authorized representative of Hevi-Haul.

### Special Application?

We specialize in finding solutions for all of your load moving needs. Whether it's a slight modification of our standard products to help better fit your application or a completely unique design, our dedicated staff will work closely with you through all phases of development. We use the latest in 3D CAD software to bring our designs to life prior to production.

### Skate Features

- **Low Profile** for maximum load clearance and minimum load jacking.
- **1" Ø High Carbon Steel Axles** over the full length of each roller assures smooth operation.
- **Durable Welded Frames**
- **Wide Roller Stance** help to bridge cracks and holes in floors.
- **Steel Cleats** for embedding into skids or blocking wood for gripping and alignment.
- **Tempered Steel Needle Bearings** over the full length of each roller assures smooth operation.
- **Easy Lube Grease Fittings** for minimum maintenance.
- **Precision Bored Holes** provide a smooth bearing raceway.
- **Steel & Non-Marking Polyurethane Coated Rollers** are interchangeable on Hevi-Haul Skates. Swap out steel rollers for non-marking polyurethane coated rollers for maximum floor protection.
